Venclose™ RF Ablation Catheter

Simplified RF Ablation

The **only** dual heating length RF device that allows you to treat long and short refluxing vein segments with one catheter.

Features

6F Low-Profile Design: Small, 6F profile helps to minimize invasiveness and offers flexibility to navigate tortuous anatomy.

Dual Heating Lengths: Treat long and short refluxing vein segments with one catheter by switching between two heating lengths (2.5 cm and 10 cm).

Marking and Curved-Tip: Markings and curved tip help to ease navigation and positioning.

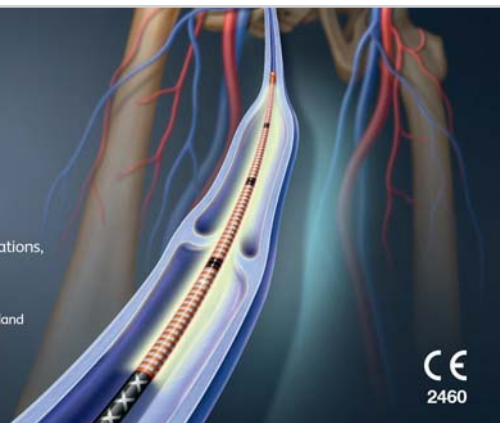

Venclose™

RF Ablation Catheter

Please consult product labels and instruction for use for indications, contraindications, hazards, warnings, and precautions
